Sculpture

Artist

I can recall the key features of Barbara Hepworth's sculptures.

Imitate

I can create shapes and form from what I can see.

Experiment

I can manipulate malleable materials.

Plan

I can develop my ideas for my UK landmark sculpture.

Create

I can create a sculpture inspired by Barbara Hepworth.

Evaluate

I can review and revisit my creation.

Barbara Hepworth was a famous British sculptor known for creating smooth, abstract shapes inspired by nature such as hills, shells and pebbles.

Lots of her sculptures included holes and were made from wood, stone and bronze.
