God

Created

Loving and Caring

**Christian** and **Jewish** people believe that **God** created the **world** and the people in it. They believe that God created people in His Image. People can read this story in the book of **Genesis** which is the first book in the **Christian** Old Testament and the first Book of Moses for **Jewish** people.

This means that everybody on earth is different and unique, and we are all part of the worldwide **community**. Everyone who is **religious** or **non-religious** believes we should take care of the world and everyone in it.

In the Bible and the Torah there are many stories and teachings about how we should take care for planet, which is known as **stewardship** and how we should show **love** for each by looking after everyone. In the book of **Psalms**, Jewish people are told how much God loves and cares for them and in the Gospels, Christians are taught that God loves and cares for them as well.
