

Art and Design

Year: 3

Term: Summer 2

Topic Unit: What are the key geographical features of the United Kingdom?

"Every child is an artist." Pablo Picasso

Collage

Artist

I can recall the key collage techniques of Loui Jover.

Imitate

I can cut complex shapes and lines.

Experiment

I can combine my artwork with printed images.

Plan

I can develop my ideas for a mixed media collage.

Create

I can create a mixed media collage.

Evaluate

I can review and revisit my creation.

Glossary

collage

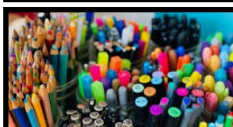

A technique made from arranging and sticking various materials into a single composition.

combine

Joining two or more different materials of artistic techniques.

medium

The materials, tools or techniques an artist uses to create a piece of art.

mixed media

Creating a single piece of artwork using a combination of different medium.

texture

The look or feel of a surface.

Loui Jover is an Australian painter and artist known for his unique mixed media style.

His artworks are a fusion of text, painting and collage incorporating photography. He uses an ink wash on old book pages or newspapers.
