

Aims

St Dennis Primary Academy is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy to ensure that no child is discriminated against by our offering of school trips, activities and educational extras.

This policy aims to:

- Have robust and clear processes in place for charging and remissions.
- Clearly set out the types of activity that can be charged for and when charges will and will not be made.
- Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities

Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

This policy complies with our funding agreement and articles of association.

Definitions

- **Charge:** a fee payable for specifically defined activities.
- **Remission:** the cancellation of a charge which would normally be payable.

Roles and responsibilities

The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

Headteacher

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently.
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies.

The school will provide staff with appropriate training in relation to this policy and its implementation.

Parents/Carers

Parents and carers are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

Where charges cannot be made

Below we set out what we **cannot** charge for:

Education

- Admission applications.
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment).
- Education provided outside school hours if it is part of:
 - The national curriculum.
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school.
 - Religious education.
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent/carer.
- Entry for a prescribed public examination if the pupil has been prepared for it at the school.
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school.

Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport.
- Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated.
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school.
- Transport provided in connection with an educational visit.

Residential visits

- Education provided on any visit that takes place during school hours.
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum.
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school.
 - Religious education.

Where charges can be made

Below we set out what we **can** charge for:

Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them.
- Optional extras (see below).
- Music and vocal tuition, in limited circumstances (see below).
- Certain early years provision.
- Community facilities.

- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school **and** the pupil fails, without good reason, to meet any examination requirement for a syllabus.

Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
 - The national curriculum.
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school.
 - Religious education.
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school.
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education).
- Board and lodging for a pupil on a residential visit.
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs).

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra.
- The cost of buildings and accommodation.
- Non-teaching staff.
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra).
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum.
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme.
- For a pupil who is looked after by a local authority.

Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

Damaged or lost items

The school may charge parents for the cost of replacing items broken, damaged or lost due to their child's behaviour.

Voluntary contributions

As an exception to the requirements set out in this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include school trips, visitors to the school, sports visits and activity days.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

We strive to ensure that parents do not feel pressurised into making voluntary contributions and will ensure parents and carers are informed about support available to them.

Activities we charge for

The school will charge for the following activities:

- Breakfast club (due to staffing, utilities and food costs).
- After-school club (due to staffing, utilities and food costs).
- Sports and other clubs led by outdoor agencies where there is a charge to the school.

For regular activities, the charges for each activity will be determined by the governing board and reviewed in May each year. Parents will be informed of the charges for the coming year in July each year.

Remissions

In some circumstances the school may not charge for items or activities. This will be at the discretion of the governing board and will depend on the activity in question.

Remissions for residential visits

We have set aside a fund to enable families to send their children on visits and activities. Assistance will be allocated on a needs basis and because funding is limited, there is no guarantee that all requests will be met. Parents and carers who are in receipt of any of the following benefits may request assistance with the cost of activities through the school office.

- Income Support.
- Income-based Jobseeker's Allowance.
- Income-related Employment and Support Allowance.
- Support under part VI of the Immigration and Asylum Act 1999.

- The guaranteed element of Pension Credit.
- Child Tax Credit (provided that Working Tax Credit is not also received and the family's annual gross income does not exceed £16,190).
- Working Tax Credit run-on - paid for 4 weeks after an individual stops qualifying for Working Tax Credit.
- Universal Credit (if the application was made on or after 1 April 2018, the family's income must be less than £7,400 per year – after tax and not including any benefits).

We will ensure that parents are informed as to when they are able to request support.
