1	anonymous	Both children are extremely happy at the school. The area from this year where i feel improvement could be made is the lack of sporting fixtures as there are many schools locally who could be played in football tag rugby cricket and similar for both sexes
2	anonymous	My child feels unsafe at the school and as been bullied and wasn't aware of the incident happening and as parents we feel that the school has let my son down as a whole and shoved him aside
3	anonymous	Not for sen - if child did not have additional needs I would recommend.
4	anonymous	My child started school last Sept and so this has also been our "first year" of school as parents. The staff are friendly and approachable and we have no complaints. However, I have to say that communication between the school and parents could be improved. You are sent apps to use with no explanations, the school office doesn't always reply to emails so you have to ask questions on the gate and key dates are included down the side of the news letter but not emailed to parents. Dates like early closure in particular where parents may need to arrange childcare, leaving work early etc should really be emailed to parents as soon possible.
5	anonymous	Need to improve the safety of posting children who shouldn't be posted!
6	anonymous	My children recently started this school this year and they couldn't have settled any better. They are both thriving and extremely happy, i cannot thank the school and teachers enough. My youngest who hated going to school now absolutely loves going to school and has so much more confidence! Thankvou x
7	anonymous	Headteacher and all teacher's are so friendly and approachable and my child is very happy and loves coming to school every day
8	anonymous	We love St Dennis school and there is so many activities for them compared to other schools. Great fab finishes and lots of trips
