Lovely school my child is very happy. Would definitely recommend.
The behaviour at school is declining. The presentation/appearance of the school could be improved. My children could achieve more if challenged.
Lovely teachers. Headteacher and teachers really easy to talk to.

My child is happy at school and enjoys going.
My daughter is happy and thriving at St Dennis
This school really supports a child's well-being and provides a range of resources and strategies that enables a child to feel happy and know there is always someone there to talk. The parent to teacher communication is great, it provides a number of different ways parents can get involved in their child's learning.
We are very please at the school as my daughter can't wait to go in everyday
