

Art and Design

Year: 1

Term: Autumn 1

Topic Unit: What would you use to build a house?

"Every child is an artist." Pablo Picasso

Painting

Artist

I can recall the key features of Paul Klee's artwork.

Imitate

I can show control over mark making using a paintbrush.

Experiment

I can mix primary colours to make secondary colours.

Plan

I can develop my ideas for my town painting.

Create

I can create my town painting using colour and shape.

Evaluate

I can review and revisit my creation.

Paul Klee is a famous painter from Switzerland.

He is known for abstract art. He uses shapes like squares, triangles and circles to show things like faces and cities.

Glossary

abstract

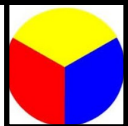

Art that doesn't look like a real-life object.

mixing

Making new colours by mixing paint.

primary
colours

Colours that cannot be mixed.

secondary
colours

Colours made by mixing two primary colours.

shape

The area created by lines, colours or textures.
