Experiment

I can experiment with relief printing.

Plan

I can plan my printing block

Create

I can create my relief print inspired by Caitlin Hackett.

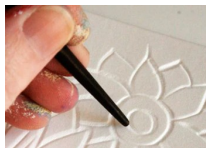

Evaluate

I can review and revisit my creation.

Glossary

carve

To create a shape or design by cutting or chipping away piece from a solid material.

contemporary

Art that is being made right now in our current time by living artists.

negative space

The areas on the block that are cut away which will not appear on the final print.

printing plate

Is a surface used to create a repeatable print, acting like a large, custom-made stamp.

relief printing

A technique where you carve a design into a block leaving the image you want to print raised.

Caitlin Hackett is an American contemporary artist who is well-known for her intricate illustrations using pen, water colour and coloured pencil.

She has a passion for the natural world and mythology. A core aspect of her art is drawing attention to environmental issues.
