<p>Glossary</p>	
<p>Collage (coller in French meaning to glue)</p>	<p>A collage is a piece of art made by sticking various different materials such as photographs and pieces of paper or fabric on to a backing.</p>
<p>composition</p>	<p>Composition in art is the way in which different elements of an artwork are combined. In general, this refers to the key subjects of the artwork and how they are arranged in relation to each other.</p>
<p>digital media</p>	<p>Digital media art combines art and technology in creative ways. Digital media artists help us visualize the world through graphic design, digital photo and video, animation, game design and much more.</p>
<p>grid method</p>	<p>The grid method of drawing allows you to produce an accurate line drawing by reducing your subject to a series of small squares. You can then draw the shapes within each square, a technique that is often easier than trying to draw the entire subject all at the same time</p>
<p>Paul Cezanne 1839-1906</p> 	<p>Paul Cezanne was a French Impressionist painter. He is known as the father of modern art. He is most famous for the way he used shape and form in his paintings.</p>
<p>value</p> 	<p>Value, sometimes known as tone, shows a range of lights to darks and a contrast between light and dark.</p>
