

Art and Design

"Every child is an artist." Pablo Picasso

Year: 1

Term: Summer 1

Topic Unit: How does your garden grow?

Collage

Artist

I can recall the key features of Carla Pennant's collages.

Imitate

I can cut simple shapes to create an image.

Experiment

I can use the collage technique layering.

Plan

I can develop my ideas for my collage inspired by Carla Pennant.

Create

I can create my garden collage inspired by Carla Pennant.

Evaluate

I can review and revisit my creation.

Carla Pennant is a Jamaican artist who is still creating new artwork to this day.

She is inspired by the natural world that God has created, especially her mother's garden. She turns flowers into collage using torn paper.

Glossary

collage

Art where we join, cut and stick different materials to make a picture.

combine

To join two or more things together.

layering

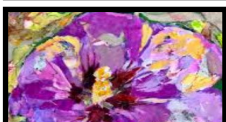

A collage technique of building a picture by sticking materials one on top of the other.

materials

Something that objects are made from.

texture

How something feels.
