 Topic: How can following God bring freedom and justice?

The story of the **Exodus** is a very important story in the Bible and the Torah. Jacob had taken his family to live in Egypt and after a while the **Children of God** were put into **slavery** in Egypt as **Pharaoh** needed them to work for him.

The slaves were waiting for someone to **rescue** them and to lead them into **freedom** and bring them **justice**. God chose **Moses** to lead His people out of slavery and into a land He had promised them.

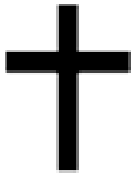

Moses led **The People of God** out of slavery and was given the Ten Commandment by God at Mount Sinai. This is an important story for Christians as it helps them to understand how important freedom and justice are in the world today.
