Christian Wedding

In the Bible, the **Old Testament** teaches the story of the people of God and how they lived their lives. There are many stories of prophets who brought messages to the **people of God** about how they should behave and the promise God makes with the people.

**Noah** was told by God to build an Ark as the people did not listen to God. When the flood arrived Noah took his family and the animals into the Ark. At the end of the flood God placed a rainbow in the sky and made a covenant with Noah that he wouldn't send another flood or destroy the earth again.

God also made a covenant with **Abram** who is also called Abraham. God asked Abram to leave where he was living and to move to the land that God would give him and his family. Abram did exactly as God had said even though it was not the easy thing for him to do even though it was the righteous thing for him to do.

In a **wedding ceremony** Christians also make a promise to care and look after each other and they will make these promises in front of God which is also a covenant with him.
