Homework

Optional cross-curricular topic challenges	
Any tasks completed will be celebrated in class and children will be rewarded with a certificate at the end of the half term.	
Build a 3D Volcano with junk! Use any material you want. E.g. clay, paper, junk, papier-mâché, Lego... The choice is yours! Bring it in to school.	Make an eye-catching poster to explain a natural disaster E.g. a tornado, flood, hurricane, tsunami, volcanic eruption, landslide, earthquake or lightning strike.
Draw a diagram of the Earth. Label it, explaining each of the layers.	Draw or print out a blank map of the world and mark where any famous earthquakes have happened. Add a key to show their magnitude according to the Richter Scale.
	Paint a picture of a tsunami.
Write a breaking news report about a famous tsunami or earthquake. Make sure you include information for the 5 'w's e.g. - What is happening? - Where is it happening? - Why is it happening? - Who does it affect? - When is it likely to stop/happen again?	Research a famous tsunami and create a fact file about it.
	Produce a safety poster for how to prepare for an earthquake, using the key commands: DROP COVER HOLD

Additional revision homework for Y6:

Starting after October half term, the children will receive a piece of grammar or maths homework each week.

Recognition Boards, Golden Time and Rewards

School Lunches and Healthy Tuck

School lunches are provided by Aspens and are free to all Reception, Year 1 and Year 2 children. In Key Stage 2, meals now cost £2.75.

These **MUST** be booked in advance.

However, the school receives additional funds for children in receipt of the Pupil Premium Grant and families need to apply for this online. The school uses this to fund staffing and subsidies towards residentials etc so please apply, even if your child is in Reception to Year 2.

Link to apply: <https://cornwall.cloud.servelec-synergy.com/synergyweb/FSMMain.aspx>.

We also ask that children bring a healthy snack for breaktime rather than chocolate, cake, crisps or biscuits. Children will be asked to look for something healthier in their lunchbox if they have these foods or offered a piece of fruit from our fruit station. Healthy choices will be rewarded.

Breakfast and After School Club

The standard daily fee for attending the Breakfast Club is £3 and the After School Club is £4.50. There is a discounted rate of £4 for siblings who attend the After School Club on the same day.

Bookings are made on Arbor in advance (by 6pm the previous day) <https://www.parentpay.com/>.

Parents and carers can drop children to Breakfast Club at the bottom gate on School Lane from 08:00. Children have a range of games, toys, puzzles, craft materials and construction toys to play with once they have eaten their breakfast.

At After School Club, children have the same activities as Breakfast Club to choose from and there is also a daily activity planned that all children can be involved in such as a craft activity or baking. Screen time is limited to a 'film-night' every now and again.

Children can be collected from the same place before 17:00.

Attendance

Show a passport and explain how the rewards will work

A National Framework for Penalty Notices for school absence, including unauthorised holiday absence, was introduced following changes to the law last year.

There is a national threshold of 10 unauthorised sessions for any reason (equivalent to 5 school days) within a rolling 10 school week period for when a penalty notice must be considered.

This mean you will no longer be able to take your child out of school for one week's holiday without the consideration of an £80 penalty notice being issued. If the fine is not paid by the first 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty fine is issued to the same parent for the same child within a 3-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a 3-year rolling period, the local authority will consider other enforcement options available to them. This could include prosecution.

There is a Leave of Absence Request form to be completed and given to Mrs Brokenshire before the proposed absence (a minimum of 15 days before the Leave of absence is due to commence). Each request will be considered on its own merit, but where the leave of absence could be taken outside of the school term the absence will not be authorised.

If you are worried about attendance, please contact us to arrange a meeting with Mrs Nash (Attendance Lead) to discuss how we can support you to improve the situation.
