Dear parents and carers,

What a fantastic week we've had at school. Environment Week was a real highlight as children enjoyed learning all about bees, planted seeds, took care of our school grounds and went on nature walks to explore local habitats. It was wonderful to see the whole school getting involved and showing such enthusiasm for protecting our environment.

Alongside this, children built vehicles, visited the Eden Project, explored texts through drama and storytelling, created Titanic-inspired drawings and even made their own quizzes. Some children began learning brass instruments, while others enjoyed swimming and took part in a fun revision scavenger hunt. We were also delighted to welcome the RNLI to help children learn about beach and water safety.

Please send children to school with sun cream already applied, a sun hat, and a refillable water bottle each day. They can also bring a named bottle of suncream to reapply it during the day.

I hope you all have a lovely bank holiday weekend and we will see you all on Tuesday.

Mrs Cathy Brokenshire (Headteacher)
